

CHIEF OF NAVAL OPERATIONS

18 October 1984

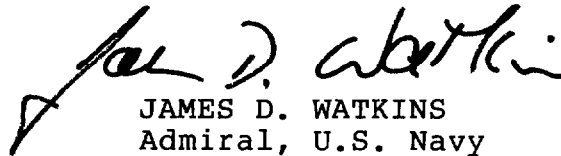

Dear Josh,

As you are aware, CEP membership terms were established two years ago in accordance with revised Department of the Navy policy on Advisory Committees. Your term of service on the CEP ends on 30 September 1984 and I want to thank you for the superb service you have given me, my predecessors, and the U.S. Navy.

Following the practice of the Defense Science Board, I have established the Senior Consultant position on the CEP, which I have offered to a few of the members whose terms are expiring. A Senior Consultant, while not a regular participant in Panel activities, would still be appointed as an unpaid consultant and would be kept informed of Panel activities. Your expertise and advice have been of great value to me, and I wish to invite you to accept a two-year appointment as Senior Consultant to me through the CEP commencing 1 October 1984.

I am extremely grateful for your outstanding and selfless contribution to the Navy and look forward to being able to continue relying on your advice as a Senior Consultant.

Sincerely,

JAMES D. WATKINS
Admiral, U.S. Navy
